FFA Volleyball Tourney Play Resumes Today

Second round of play in the annual Future Farmers of America Volleyball Tournament will begin tonight (Thursday) in the public school gymnasium. Play will continue through Saturday evening.

First round play was completed Tuesday evening in four of the five divisions and the mixed doubles will play their first round Friday evening.

Consolation finals will begin Saturday evening at 5:30 with the mixed doubles and run through the five divisions. Championship finals will begin at 7 with the mixed doubles. The girls' championship games will begin at 7:30, the boys' at 8, the ladies' at 8:30 and the men's at 9.

Pairings on the championship side of the girls'

bracket are: Reynolds Drug and Albritton Motors at 6 and Sweetwater Savings and Oliver Oil Co. at 7. Mehaffey Trucking drew a bye into the next round.

Boys' championship second round play include: The Road Runner and Walton Well Service at 6, Jordan's and Johnson Butane at 5:30. Pied Piper Grocery and Pied Piper Mills drew byes into the next round.

Pritchard Trucking will play Hamlin Hospital at 8 in the ladies division and the Long Branch drew a bye.

Joe Hudspeth's will play the Hamlin Herald in the men's division at 9 and Howard Drug will play Waterhole No. Three at 9:30.

On the consolation side it will be Harbert Furniture playing Moore Elevator in the girls division and Sellers Cattle Co. playing the Road Runner at 5:30. Winn's drew a bye into the next round.

Killion Tank Trucks will play Hamlin Flower Shop at 5 in the boys' consolation and Bailey Construction will play Piggly Wiggly at 7:30. Carlton Implement and Frank's TV drew a bye into the next round.

B & K Flying Service and McKissack-Byrd will play at 8:30 in the ladies' division and F. & M. National Bank drew a bye.

The Lions Club will meet the team sponsored by Larry McCoy in the men's division at 8 and TP Oil Co. drew a bye.

In the mixed doubles play Friday evening it will be Kincaid Appliance and Connolly Ford and Jody Ford and Arrow Service at 5. Turner Insurance and Frank's Department Store will play at 5:30 and Cooper Texaco and Dairy Queen at 5:30. At 6:30 it will be City Food playing Wade Trucking and at 6 it will be Kiser Texaco and Weaver Texaco. At 7 it will be Bryant Insurance and Rockwell Bros.

The mixed doubles teams will play down to the finals Friday night.

MONEY GIVEN FOR PROJECT—Mrs. Rodger Bell, chairman of the Beta Theta Chapter Game Night project, presents Mayor Joe Ford a check for \$400 to be used for the Bicentennial projects in Hamlin.

PROJECT ALERT— County Law Officers Seek Aide of CB'ers

Sheriff Woodrow Simmons has announced that his department is launching Project Alert for Jones County. The purpose of the project is to organize Citizens Band Radio Clubs and other interested individuals to help make Jones County a safer place to live.

The Project Alert program prescribes procedures for the reporting of emergency calls or crimes one may witness or suspect through the use of CB radios.

The Jones County Sheriff's office will monitor Citizens Band radio emergency channel nine from 8 a.m. until midnight, seven days a week, Simmons said. "Proper FCC procedure must be used on this channel as it is a channel set aside for emergencies. Messages must be as brief and short as possible," he said.

CB'ers who wish to take part in the program are requested to fill out a unit control card with their FCC call number or handle, name

and address and phone number. The purpose of the unit control card is a means of identifying the reporting unit so that the police department or sheriff's office can be assured that the report is valid and know the identity of the calling party, Simmons said.

The identification of the calling party will be held in the strictest of confidence. Each participant will be assigned a unit control number and must use it in reporting an emergency.

CB'ers taking part in Project Alert will be requested to report any emergency, crimes in progress, accidents, drunk drivers, citizens in distress and any hazards that may exist, such as cattle on the road, etc.

Mrs. Howard Jones and Jamie visited in Austin this past week with Mr. and Mrs. James Hinson and with Brig. General and Mrs. Willie Scott, Aliceson and Richard.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

My son, Rick, and I toured the Big Bend and Davis Mountain area this past weekend and if you have not seen that part of Texas I would urge you to include that in one of your weekend trips or as part of a vacation trip.

If you are into camping I would recommend that you make your headquarters at the Ft. Davis State Park rather than at Big Bend. The facilities at the Texas State Parks have the federal government facilities at Big Bend beat all to heck.

The country from Big Bend National Park, through the River Road to Presidio, up to Marfa and on into Fort Davis is beautiful. It is hard to believe that you are still in Texas.

If you are in the Fort Davis area, don't miss the trip up to the McDonald Observatory and the scenic drive back into Fort Davis. The ruins of old Fort Davis are also well worth your time.

Those of you that remember Jerry Larned from when he coached here might be interested in watching "Almost Anything Goes" Saturday night. Jerry is the coach of the Monahans team.

The story in the TV section says that the event was filmed in Pecos but it was filmed in Monahans. It was supposed to be filmed in Pecos but was changed to Monahans.

The towns competing for Texas state championship were Fort Stockton, Monahans and Pecos. The winner, Fort Stockton will compete later for the Western Regional Finals.

We have mentioned the popularity of CB's in this column before and now Sheriff Woodrow Simmons has announced a program called "Project Alert" which would use CB'ers to help in emergencies and to help prevent crime. A similar program has been lagging in Abilene.

CB'ers who want to take part in the program must register with the local Police Department or with the Sheriff's Department. The Sheriff's office will monitor channel nine seven days a week from 8 a.m. until midnight.

"Apparently the CB is rivaled only by mood rings as the thing to have these days," wrote Tom Leathers in the Country Squire, Kansas City, Mo. And apparently he's right because citizen band radios are getting a lot of attention in the nation's community press. CB's, said Leathers, is the latest

COMMUNITY EDUCATION—

3 New Courses to Start Here Tuesday

Three new courses will be offered here beginning next Tuesday as part of the Community Education Program, according to Mrs. Warren Sharp, coordinator. Courses will be offered in furniture refinishing and upholstery, cake decorating and beginners' golf.

Mrs. Nacy Wilburn, county extension agent, will teach the course in furniture refinishing and upholstery. The class will be held at 210 S.W. Third in the old vocational agriculture building beginning at 7 p.m. Enrollment will be limited

to the first ten persons to register. If enough interest is shown, another session will begin at the conclusion of this one, according to Mrs. Sharp.

Instruction is free, but a \$6.00 tuition is required for utilities. The class will meet for one hour the first night for registration. Participants will also be given instructions and a supply list. The next five classes will be held each Tuesday from 7 to 9 p.m.

The cake decorating class will be taught in the Foods Lab at the high school building each Tuesday evening from 7 to 9. The class will be taught by Mrs. L. B. Bruner and will be four sessions long.

Tuition for the course will be \$5.00 and enrollment will be limited to 20 participants, according to Mrs. Sharp.

A beginners' course in golf will begin at the Hamlin Country Club Tuesday with the class meeting from 5:15 until 7:15 for five two-hour sessions. Tuition will be \$10 and each person must furnish his or her own clubs.

Scott Feagan will teach the course and interested parties should report to the Country Club for registration.

Eleven Teams Take Part In Academic Meet

Eleven teams took part in the Hamlin Academic Meet held here Saturday. The meet was under the direction of Jerry Bodine.

About 100 students took part in the meet with teams from Brownwood, Lubbock, Snyder, Olney, Merkel, Rule, Archer City, Stamford, Graham, Highland and Hamlin.

Stamford took first place in both slide rule and number sense while Lubbock took first in science. Archer City was second in slide rule, Lubbock took second in number sense and Snyder was second in Science.

Mr. and Mrs. Herman Sharer attended the funeral of Olen (Dutch) Stephens, father of Dwaine Stephens in Brownwood Friday. They also visited Mrs. Sharer's sister, Mr. and Mrs. Don Wright and family of Ft. Worth.

Car Tag Sales Are Lagging, Deadline Near

With the deadline for renewing vehicle registration only a few days away, sales are lagging here according to Louie Cunningham, local deputy. Roy Lane, Jones County Tax Assessor-Collector also said that sales are lagging all over the county.

"Unless car owners want to stand in long lines, they had better hurry and get their tags," Lane said.

Deadline for putting the new stickers on the old license plates is April 1.

FFA Dog Vaccination Clinic Today

The annual Future Farmers of America dog vaccination and city tag sales program will be held today (Thursday) at the ag building at the high school from 1 to 5 p.m., according to Milburn Wink, chapter advisor.

A Rotan veterinarian will be here to give the annual vaccination required for all dogs and the FFA Chapter will issue the city dog tags required for all dogs within the city. The dog tags are \$2.50.

The Hamlin City Council has instructed the Police Department to begin a crackdown on all stray dogs found untagged following this program.

Absentee Voting In City, School Elections

Absentee voting is now underway here in both the city and school elections and the final day for casting an absentee ballot is Tuesday, Mar. 30.

With only one contested race on the two ballots, little interest has been shown in voting absentee.

Both elections will be held Saturday, Apr. 3, at the high school building.

Three candidates have filed for the two vacancies on the Hamlin Independent School District Board of Trustees. Lewis Earl Madden and Clyde Lewis are seeking re-election while Sam Mack Hodges is seeking his first term.

No contest developed in the city races with Robert Fowler seeking to replace Joe E. Ford as mayor. Fowler is currently serving on the council and will resign that position if elected mayor. Ford did not seek re-election.

Three positions are up for election on the council with two positions for two years and one for one year. Richard Young Jr. is seeking re-election to a two-year and Pat Willoughby is seeking re-election to a one-year term. Luther Haught, making his first race for the council, is

seeking the other two-year term.

Willoughby was recently appointed to the council but must run for election for the remaining year of the two-year term.

Neinda Reunion Sets Date for Annual Meeting

The Neinda Reunion Association has set April 25 as the date for its 25th annual meeting at the community center.

Trustees of the organization announce that this will be "a Silver Anniversary for our reunion, so put forth an extra effort to be present and bring someone with you." All residents and former residents are urged to attend.

The business session will begin at 11 a.m. At this time a financial report will be given on the Neinda Cemetery, including both permanent accounts and working accounts.

Trustees of the Association are Sam Hodges, chairman, Irby Weaver, R. P. Williams, John Scarborough, J. E. Brown and John R. Brown.

RECEIVES SCHOOL BELL AWARD—Publisher Bob Craig of the Hamlin Herald receives a "School Bell Award" at the awards dinner of the Texas State Teachers Association annual convention in Fort Worth. TSTA President Larry Yawn of Austin, right, made the presentation. The Herald, competing against Texas weekly newspapers, won top honors for "outstanding continuous coverage" of education news in the annual statewide competition. Craig was also a platform guest at the opening session of the March 11-13 convention after the dinner.

31 Attend Social Service Seminar

Thirty-one Hamlin residents attended a Social Service Seminar here Friday in the Jaycee Building, according to Nedy Wilburn, county extension agent.

The seminar was planned by the Jones County Family Living Subcommittee and sponsored by the Farmers and Merchants National Bank of Hamlin.

Speakers for the seminar were Ken Hargis, assistant manager of the Abilene Social Security office; Jan Hooper, program developer of the West Central Texas Council of Governments —

Area Agency on Aging in Abilene; Suzzy Thomas, area supervisor of the West Texas Health Service; Linda Hill and Kathy Holden, social service workers of the Texas Department of Public Welfare; and Emilia Moreno of the Community Action Program of Stamford.

The program was carried out through the joint co-operation of Betty Thompson, Jones County Aging Coordinator and Mrs. Wilburn.

Future educational and special recreational programs are being planned as part of this program.

Garden Club Plans Plant, Bake Sale

Hamlin Garden Club met Thursday, March 11, in the home of Mrs. W. C. Sojourner. First vice president, Mrs. Ronnie Jeffrey, presided in the absence of the president, Mrs. Joe Hymer.

Plans were made for a plant and bake sale to be held at 9 a.m. Saturday April 3 in front of Piggly Wiggly. Proceeds will benefit the club and provide upkeep on Triangle Gardens.

Mrs. Larry McCoy presented the program on the Romantic History of Roses. The next meeting will be April 8 in the home of Mrs. Hymer.

Selected as yard of the month was the home of Rev. and Mrs. Joe Norton.

Kathy Ponder Pledges Alpha Psi Omega

ABILENE—Kathy Ponder, daughter of Mr. and Mrs. Doyle Ponder of 250 North Central, has pledged Alpha Psi Omega, an honorary dramatics fraternity at Hardin-Simmons University. Alpha Psi Omega promotes a higher standard of performance in dramatics.

Miss Ponder is a junior speech major at H-SU and a 1973 graduate of Hamlin High School.

Neinda Reunion will observe 25th anniversary at April 25 annual event at the Neinda Community Center.

Smart's mother.

Mr. and Mrs. P. W. Lawlis have purchased lots from Mrs. Sara Miers and plan to move their house from their farm to McCaulley in the near future.

Mrs. Mayna Davis and Luke are home after spending the spring break in Lubbock.

Mr. and Mrs. Paul Waldrop of San Angelo visited with Paul's mother, Mrs. Hattie Lou Waldrop, Sunday afternoon.

GARDENING—An Activity For Everyone

More and more home gardeners in Jones County are "doing their thing" in their backyard or just wherever they can find space, says Nedy Wilburn, County Extension Agent.

The gardening mood is definitely on as numerous national polls are showing that more Americans took up gardening last year than at any other time in history.

Why the sudden spurt to return to Mother Nature, to till the soil, to live off the land? It's a matter of economics for most families, points out Mrs. Wilburn. The increase in food prices during

the past year has been a major factor in the mushrooming interest in home gardening. Most gardeners in Jones County should be able to save \$200 to \$300 per year on their total grocery bill.

If you are interested in receiving the Home Gardening - Food Preservation Circular Letter Series please call 823-3801 or write - Nedy Wilburn, County Extension Agent, Box 688, Anson, Texas 79501. Request will be filled as soon as notification and letters will be sent twice a week.

John Watts Gives Literary Club Program

John Watts, local attorney-at-law was guest speaker for the Woman's Literary Club Guest Day Tea Friday at First United Methodist Church Fellowship Hall.

He spoke to the group on the "Legal Rights of Women."

Making arrangements and serving refreshments for the tea were Mmes. A. G. Smith, L. B. Bruner and Jack Kimball.

Delegates to the Mesquite District, Texas Federation of Women's Clubs in Snyder last week were Mmes. Fred Smith, L. H. McBride and Earl Brown.

The next meeting will be April 2 in the home of Mrs. R. D. Moore. Lola Milstead will give a book review on "Where the Lilies Bloom."

HD Council Luncheon, Bazaar Set

The Jones County Home Demonstration Council will have a salad luncheon and bazaar Tuesday, Mar. 30, in the Lions Club building in Anson.

Pie and coffee will be sold from 9:30 to 10:30 and the salad luncheon will be served from 11 a.m. to 1:30 p.m. Tickets may be purchased at the door. The salad luncheon tickets are \$2.25 per plate.

Bazaar items will be sold from 9:30 on through the luncheon, according to Mrs. Stanley Kirby of Anson.

Everyone is invited to attend. Mrs. Kirby and Mrs. Nedy Wilburn, extension agent, will appear on the Natalee Powers program Friday at 12:15 p.m. on KRBC TV, Abilene, channel 9.

the gospel truth

by Bro. Marshall Townsley

"... Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea, and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, BELIEVE that ye receive them, and ye shall have them." Mark 11:22-23

Blessed be God! I'm a believer, not a doubter. In the first chapter of Colossians v. 13, we see that the man who has accepted Christ as Lord has been delivered from the powers of darkness, and has actually been translated into the kingdom of God's dear son. That's a reality, not just a theoretical expression. Praise God! By the supernatural work of the Holy Ghost called the new birth, we have been submitted to a new spiritual government with new spiritual laws. These spiritual laws created the physical and still have total ascendancy and control over them when expressed through the heart and action of a believer.

Have faith in God. Another translation reads have the faith of God. For by grace are ye saved through FAITH;

and that not of yourselves; it is the gift of God. Eph. 2:8. In the twelfth chapter of Romans v. 3 we realize that God has dealt to every man the measure of faith. So we see that we are not even using our own faith but rather the faith of God in all its power and magnitude.

So then faith cometh by hearing, and hearing by the word of God. Rom. 10:17 By building and nurturing this faith through the Word and releasing it by our words from a true and committed heart, we can actually see a supernatural manifestation of the power of God. When our Lord spoke unto the storm and winds to become a calm he expressed this law of faith and confession. The result—A MIRACLE!

You and I have been ordained to bring forth the supernatural fruit of God's kingdom into this carnally controlled world with all its limitations. The Church has been called to overcome the world by faith; overcoming every circumstance that would attempt to stand in the way of the Gospel in the lives and hearts of men. We're the overcomers; not the over-comed ones. Bless the Lord!

FROM THE FILES . . .

FIFTY YEARS AGO
(March 19, 1926)

It begins to appear that Grogan and Bill (Turner and Bigbee) are making a good team. Recently Mr. Bigbee became a partner in the Imperial Barber Shop and we noticed that last week they had "done already gone and dolled up a lot." Every old barber chair they had was discarded and about \$1,000 worth of new up-to-the-minute, upholstered leather, porcelain chairs now grace the "men's beauty shop." One thing, though, the Herald man wants to know about the buying of new barber chairs: "Why in the world didn't they get some that were soft," that is, some that have a bit of give, spring, or "push-in" to them. It appears to us that they could make 'em that way, as well as hard as a bronze saddle. Guess they will get "easy" with use. And used they will be, if hair keeps on growing. Sometimes we think how funny men would look if "hair quit growing." It's lots of trouble.

On Monday, March 15, the Hamlin High School Base Ball team defeated Sweetwater in the return game, in Sweetwater by score of 7 to 4. The game was very interesting and closely contested throughout.

In the first inning, Hamlin scored one run when Bob Willingham reached first base on an error by Sweetwater third baseman. Jones Boyd hit a long double that scored Bob. Lefty Dean worked the first three innings and did not allow a run, but gave up four hits. Jones Boyd followed him to the mound for three innings and was touched for eight hits and four runs.

This week G. W. Clark & Sons opened up a confectionery business in the place formerly used by Fritz Stewart. From indications these gentlemen mean business. They are no strangers in Hamlin as Mr. Clark has lived many years on a farm near the Plaster Mills.

Last Friday about noon an oil stove exploded in the big two-story residence known for a long time as the Hickey house. There were three families occupying this house, besides Luther and John. The fire boys quickly responded, but the flames got enough headway to consume nearly all the roof. There was no insurance, so we learn; on this building.

Those occupying the building were G. C. Arnold and family, Mr. Bailey and family, Mr. Nichols and family.

At the time of this fire Mrs. Arnold was very sick and was moved to a nearby residence. There was no fire in her room, but it was drenched by water from an upper room.

The Herald is requested by Johnny Hickey to say to the Fire Boys that they all thank them heartily for the good work that was done in saving the house and the contents.

Seventy-four employers in Jones County, of which an estimated 22 are in Hamlin, became liable under the amended Texas Unemployment Compensation Act on January 1, it has been revealed by the division office at Abilene after a check-up. Hamlin businesses were checked several days ago, and the plan was outlined to employers whereby concerns with four employees must now pay compensation payments on payrolls beginning last January 1. Previously only concerns with eight or more employees were affected.

Proposal to push the city project of constructing more curbs and gutter under the overall plan of trying to solve the water problem on Hamlin streets received another boost Tuesday night when steel forms for the project were approved for purchase by members of the City Council in regular monthly business session.

A set of one block of the steel forms had been located last week in Abilene by John Lea, city coordinator, and Bill Rountree, general superintendent, which were available at about half the price of new forms, it was reported at the session.

It is proposed that the city furnish the forms and the sand and gravel in a program that would make curb and gutters available within the reach of most property owners in Hamlin. Private concrete work contractors will be utilized in the actual mixing and finishing of the cement work, it is planned. The city engineer will supervise the work to be sure that correct grades for the entire city's topography are observed for drainage purposes. Members of the council expressed the opinion that headway is being made on the overall water drainage, and this curb and gutter proposal is a continuation of that plan.

Dr. M. L. Smith was named as a new director to serve with Joe League, Starr Inzer and John Hudson as the board for the ensuing year.

Several improvements are underway or are being planned for the golf club house and playing course during the next several months, Bell declared. New toilet facilities for the club house, elevated tee boxes and other improvements are projected.

Greens at the course are in the best shape in the history of the club, and plans are being considered for a spring tournament at the Lakeview course, officials declare.

The resignation of Board member Revis Robertson was accepted by the Hamlin Board of Trustees Monday night at a meeting called to determine what grades will be desegregated this fall.

The Board voted to desegregate the second grade this fall in addition to the other grades desegregated this past fall.

The meeting was called because of the need to meet certain deadlines set out by the Federal Government to comply with its decision to operate the remaining four grades—third, fourth, fifth and sixth—under a Freedom of Choice system.

The Board of Education is making plans to integrate all grades into one school as soon as possible, discarding the dual school system. Plans for a new building, or addition are being formulated in order to provide facilities for all school children.

Formation of new water cooperative in the area is planned for 7:30 p.m. Tuesday when residents of the Neinda Community meet at the community center, according to Fred Decker of Yeatts & Decker of Abilene.

Already 150 farmers and ranchers in the Neinda area have purchased stock in the organization that has signed a tentative contract with the City of Hamlin for the purchase of water.

An additional 50 members are needed, Decker said, to form a permanent corporation.

Area included in this cooperative is from the Celotex area in Fisher County to Radium, ten miles east of Hamlin, and onto U.S. Highway 180. About 75 square miles are included in the area and there are about 200 families in that sector.

Present steering committee of the proposed cooperative include Bill Scott, president; Rod Brown, secretary; John Scarborough, Stanley Jackson, O. H. Weaver, and Ray Williams. This group was elected by cooperative members at a previous meeting of the group.

device for outwitting the law ("Smokeys" in CB jargon). And, Leathers mused in his headline, "The family that beats the cops together. . ."

"No one appears concerned with any consequences from mass installation of a method to break the law," he wrote, noting that CB's popularity centers around the ability to pinpoint "Smokey" and thus avoid getting caught in speed traps.

Taking a whimsical approach to this latest fad, Leathers came up with other ways of eluding Smokey. For instance, how about walkie talkies for shop lifters. "Hello Birdseye, (in citizen band everybody has a nickname) this is Logroll in toiletries. There's a Smokey in women's accessories," Or, Leathers suggested — how about a CB for muggers: "This is Coffee Cup on the West side of Loose Park. There's a Smokey car parked over by the duck pond."

TO OLNEY SATURDAY—
Track Team Has Bad Day At Brownwood

"It was just one of those days where nothing goes right," was the way Coach Bill Grissom viewed the poor showing his track team made at Brownwood Saturday. The Pipers only managed 16 points and finished in 14th place in the Bluebonnet Relays in Brownwood. Breckenridge won the meet with 58 points.

The Pipers lost the services of Delbert Thompson in both relays and the 440-yard dash when he hurt his ankle in the high jump. The Pipers lost a chance for points in two other events when Mac Lee and Charlie Brown scratched in the 100 and the high hurdles.

The team of Alan Steele, Lee, Robert Phariss and Stanley Jones ran a 45.1 in the 440-yard relay for fifth place. Phariss took third in the long jump with a jump of 20'11" and Mayberry finished third in the high hurdles with a time of 15.4.

This week the Pipers will travel to Olney Saturday with the prelims starting at 10 a.m., the field events at 11 and the finals in the running events at 4.

The girls track team will travel to Ballinger Friday after taking two weeks off. The field events will get underway at 12:30 and the running events at 2.

LETTER TO EDITOR

Cemetery Leaders Express Thanks for Work Day

Dear Editor:

The Hamlin Cemetery Association had a very good work day in spite of the cold north wind. The memorial service was lovely thanks to the Rev. Howard Jones, the V. F. W. Auxiliary and the two sororities assisted by Mrs. J. M. Williams and Mrs. Tom Holman who made it a memorable occasion. Thanks to McCoy's for the tent. It was a great day!

Rawlins Monuments, Inc. from Weatherford brought a crew to straighten some of the headstones that were out of line. Dave Deison, with Rawlins, brought a white marble monument which he donated to Babyland, a new section of our cemetery to be used only for infants.

There will be another work day in May to get everything as clean and pretty as possible before our national Memorial Day.

Since Dec. 8, 1975, the association has received the following contributions for the Permanent Trust Fund: 15 donations at \$5; 12, \$10; 4, \$15; 4, \$20; 6, \$25; 1, \$30; 21, \$50; 4, \$60; 1, \$70; 35, \$100; 1, \$112.50; 15, \$200; 4, \$250; 2, \$300; 2, \$400; 10, \$500; 13, \$1000.

Only the interest can be spent from this fund (never a dime of the principal for the care of the cemetery). This year we do not have any interest but so many people have given generously of their time and money to pay for the work that is being done NOW! No trustee receives a cent or ever will as the interest from this fund is to be spent for the Perpetual Care of the entire cemetery. This money is invested in federally insured certificates.

Many people have indicated they want to be a part of perpetuating care cemetery and give to the Permanent Trust Fund. We urge you to give now or as soon as possible to enable the interest to be paid in time for next year's work. Any amount that you are able to give will be extremely helpful as they all add up when put together. If you cannot contribute in a lump sum,

please consider monthly, quarterly, or yearly payments. The widow's mite will be greatly appreciated by all of the members of the association. You are automatically a member if you own a lot or are a contributor.

Funeral Services Held Monday for William Woolf

William H. Woolf, 76, a retired Santa Fe Railroad employee, died at 3:30 p.m. Saturday in Hamlin Memorial Hospital.

Services were held at 10 a.m. Monday at First Assembly of God Church with the Rev. Doyle Adam, pastor of the Assembly of God Church in Rotan, officiating. Burial was in Hamlin Cemetery.

Born Aug. 30, 1899, in Comanche County, he had lived in Hamlin 57 years. He married Stella Lancaster Dec. 15, 1919, in Roby.

He was a member of Assembly of God Church.

Survivors include his wife; seven sons, Preston of Rotan, Waylon of Port Neches, Morris and Douglas, both of Odessa and Lewis, Floyd and Tony, all of Hamlin; two sisters, Mrs. E. G. Smith of Hamlin and Mrs. Lester Whitley of Rotan; three brothers, Cleo of Abilene, Leo of Merkel and Charlie Messick of Rotan; 21 grandchildren; and 23 great-grandchildren.

Grandsons were pallbearers.

Oak Grove Sets Dinner Saturday

The Brotherhood of Oak Grove Baptist Church is sponsoring a dinner Saturday in Fellowship Hall beginning at 5:30 p.m., according to Bill Cork, president.

The menu will consist of fried chicken, scalloped potatoes, green beans, tossed salad, hot rolls, assorted pie, tea and coffee.

Price per plate will be \$2.25. The public is invited.

Sylvester Baptist Church Revival To Open Friday

A revival at First Baptist Church of Sylvester has been set for March 26-28, according to Rev. Michael L. Robinson, pastor.

Evangelist will be Rev. Jackie Lee of Barrett Baptist Church, Pampa. The singers will be Mr. and Mrs. David McCarley of Elmcreek Baptist Church, Abilene.

Services on March 26 will be at 7 p.m. and 8 p.m. on

March 27. Sunday morning services will be at 10 a.m. for the Bible study and 11 a.m. for worship. The final service of the revival will be 6 p.m. Sunday.

"Come and join us for these thrilling days of Revival," Rev. Robinson said.

Mr. and Mrs. Austin Hale, their daughter, Susie Baker and two sons have moved to Hamlin from Fort Worth. He is retired and they live at 652 S. Central.

For three generations we have enjoyed cheap electricity because natural gas was a cheap generating fuel. Now gas is scarce and costly and alternate sources of fuel are expensive.

But we live in an electric economy. And whether power is generated with natural gas, nuclear, coal or cow chips your member-owned Midwest Electric Cooperative will provide electricity.

Delivering power at its lowest possible price is our promise for the future based on our performance in the past.

Now's the time to call your air conditioning serviceman.

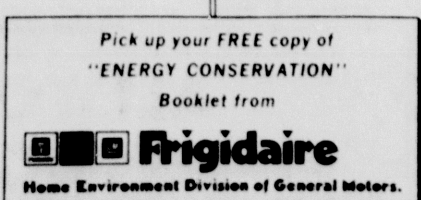

(Get a checkup before the heat's on.)

Right now your air conditioning serviceman can easily work your call into his schedule and get your unit ready to deliver dependable cooling through the summer ahead.

We know that many people wait until the heat's on to install electric air conditioning or have their units serviced. Later on, your dealer or serviceman may have a waiting list.

WTU wants you to get the greatest value from your electric service. One way we can help is to remind you to get the jump on summer by calling your serviceman early.

Registered Voters In Jones County To Show Increase

Roy Lane, Jones County Tax Assessor-Collector, said Monday that he expects Jones County to have over 7,000 registered voters for the May primaries. This will be an increase over last year.

He said that his office is busy now updating the addresses on those who returned their cards to his office with corrections.

He said that there may be some voters in the county who still have not received their blue registration forms because they have moved and have not notified the county tax assessor-collector. But these people will still be allowed to vote in the May primary under instructions from Mark White, secretary of state, he said.

For one time only, the secretary of state's office informed county election officials this past week, a voter who has not received his new blue registration

form will be allowed to make a special sworn statement at the May 1 polls to that effect and then will be able to use his old voting certificate. The affidavit procedure

Hamlin Ag Club To Meet Tuesday

The Hamlin Ag Club will meet here Tuesday at 7:30 in the Vocational Agriculture building at the high school.

Charles Stenholm of Stamford will present the program on "The Texas Primary."

All members are urged to be at the meeting at 6:30 to help prepare for the program.

Officers of the club have extended an invitation to anyone interested in learning more about the new Texas Primary to attend this meeting.

can not be used for any later elections, the state office said.

The registration procedure was to have started last November but was delayed by Texas being brought under the Federal Voting Rights Act by Congress. The mailing of the forms was held up until after the U. S. Department of Justice had approved Texas' new law in January.

The new law passed by the 1975 state legislature said, voters must re-register and obtain the new blue certificate or their names would be purged from voting lists. Federal authorities held that no one on present voting rolls could be purged, and the affidavit was created to fill the gap.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

The University Inter-scholastic League one-act play competition is slated for Stamford next Tuesday.

Hamlin's director, middle school language arts teacher Mrs. Betty Shira, has chosen seven girls for the play, "The Plum Tree." They are Debi Cary, Jan Ford, Cyndi Lewis, Debra Hollis, Patrice Moore, DeDe Young and Tracy Gregory.

Rhonda Hudgins, Linda Hudgins and Tava Wilcox have volunteered for make-up and stage crew.

Hamlin's middle and high school teachers will participate in an inservice training day Saturday.

This teacher work day will take the place of one missed because of the Piper basketball team's play in the regional tournament in Lubbock last month.

Mr. Jerry Bodine, Hamlin High School math teacher, married the former Miss Terry Kincaid of Waco, Texas, during the Hamlin Schools' recent spring holidays.

The couple now reside at 25 S.W. Ave. D.

The Hamlin Chapter of Future Homemakers of America will celebrate Texas FHA Week April 4-10 with numerous activities and service projects.

The group will attend services at the Church of Christ that Sunday. Julie Jeffrey and Lisa Howard are in charge of hanging a bicentennial banner downtown. That Tuesday a bicentennial assembly program will be given by Debra Hollis and that Wednesday the FHA members will honor the teachers with a brunch. During the

week Lisa Absher is in charge of picking up trash on the parking lot while Julie will supervise the washing to student car windshields. The activities end Saturday with a bake sale to be held in front of Howard Drug.
